ATTORNEY GENERAL

Ms. Heather Silver  
Assistant District Attorney  
Criminal Law and Police Division  
City of Dallas  
Municipal Building  
Dallas, Texas 75201

OR98-2051

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 118265.

The City of Dallas Police Department (the "department") received a request for offense report number 0818405-A. You assert that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." The requested information is made confidential by section 261.201(a) of the Family Code which provides as follows:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Because the requested information involves charges of sexual assault against a minor, the records are within the scope of section 261.201 of the Family Code. You have not cited any specific rule that the department has adopted with regard to the release of this type of information; therefore, we assume that no such regulation exists. Given this assumption, the requested records are confidential pursuant to section 261.201 of the Family Code. *See* Open Records Decision No. 440 (1986) at 2 (predecessor statute). Accordingly, the department must withhold these records.<sup>1</sup> Further, because section 261.201(a) protects all “files, reports, communications, and working papers” related to an investigation of child abuse, the department must not release first page offense report information in cases of alleged child abuse.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied on as a previous determination regarding any other records. If you have any questions regarding this ruling, please contact our office.

Yours very truly,

Yen-Ha Le  
Assistant Attorney General  
Open Records Division
